

# Easter Rocks

With the latest rock hunting craze, what perfect timing to paint some Easter themed rocks and hide them in your local parks and public places for children to search for a new kind of colourful treat.

## WHAT YOU NEED

- Stones or rocks
- Paint or old nail polish
- Paint Brushes
- Glitter (optional)
- Varnish (optional)

## Instructions

Have fun collecting different shaped stones/rocks from the river, garden or beach. Lay down old paper to paint and decorate your stones/rocks. When dry, you can add glitter and a coat of varnish.

Most regions have their own Facebook page, where members can post photos of rocks they have painted and let other members know where they have hidden them.
