

# War Medals

## Instructions

Combine the flour and salt (mix well with spoon). Gradually add water.

Using your hands, knead until soft and pliable. Roll out on floured surface about 7mm thick. Cut or create shapes like stars, crosses and coins. Place on baking sheet. Make a hole at the top with a straw. Bake at 160°C until hard (about 1 hour). Decorate with paint. You can varnish your medals to preserve them.

Cut a strip of ribbon and fold in half. Glue to the back.
